

Submitter:

Paul Ghinga

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB429

This bill is insanity. If you want to wipe out Guns and our second amendment in OREGON, this is the way to do it. I strongly oppose his bill. Any and all gun control is just people control. Lawmakers just go after the criminals not you're up standing citizens that pay your salary. Law abiding. This just makes it harder on reasonable or Oregonians. Thank you and have a nice day.!
