Committee: Senate Committee On Rules

Measure, Appointment or Topic: SJR30

I oppose SJR 30. One reason I moved to Oregon was the ability as a citizen to have a real say in the way I am governed. SJR 30 would diminish that ability significantly, dependent on my address within the state. This is antithetical to "one person,one vote". I insist that my vote is equal to all other votes if I live in Canon Beach or Baker City. I oppose SJR 30
