Bills like this are strictly performative “we did something” legislation and won’t prevent tragedies. In fact, creating more barriers to concealed carry is what led to one of the worst massacres in US history. Do you want to hang your hat on the next tragedy by voting yes for this? The public will not forget.

From Wikipedia “Luby’s Shooting” : “...by Suzanna Hupp, who was present at the massacre; both of her parents, Alphonse "Al" Gratia and Ursula "Suzy" Gratia, were killed by Hennard.[28] She later testified that she would have liked to have had her .38 revolver,[10] but said, "It was a hundred feet away in my car." (She had feared that if she was caught carrying it she might lose her chiropractor's license.)”
