On Behalf Of: Mr Oregon OPPOSES SB 690  
Committee: Senate Committee On Early Childhood and Behavioral Health  
Measure, Appointment or Topic: SB690

I OPPOSE [SB 690]. Oregon's Welfare state is out of money.

A professional report of this significance is very expensive.

The scope of the study of [SB 690] is too broad and ill defined.

There is 'No' budget allocation and or funding sources(s) identified for [SB 690].

[SB 690] is devious, irresponsible and incompetent and should be rejected and denied with prejudice.

David S. Wall  
Mr. Oregon Conkurs.
