

Submitter:	David Wall
On Behalf Of:	Mr Oregon SUPPORTS SB 690
Committee:	Senate Committee On Early Childhood and Behavioral Health
Measure, Appointment or Topic:	SB690

I SUPPORT [HB 3638].

If the 'media' is permitted to attend an "Executive session", the members of the 'public' should also be allowed to attend.

A 'One-ear' extension is needed to provide 'time' for research and to retain competent counsel.

Mr. Oregon Concurs.
