Senate Committee On Judiciary

Measure, Appointment or Topic:

SB696

Please do not pass this flawed bill! Much of the text shows a misunderstanding on the actual use and function of these parts. Example, the bump stock is valuable to me, not for the description in the bill, but for stability. As a woman, I am naturally smaller and less strong, so I need the extra support and leverage to access my 2nd amendment right. I am OPPOSED to this misguided new law.
