Dear Elected Members of the House Committee On Rules,

I am writing to endorse this HCR 33 bill and can testify, as a friend and business representative that worked directly with Frank Cutsforth for many years, that this recognition is well deserved and appropriate. Frank Custsforth was a very giving and kind man, he went above and beyond to support the community and was involved in many programs which focused on improving the lives of others while enhancing the area's livability. I strongly endorse this resolution and encourage you to all vote yes as this is well deserved in preserving the legacy that Frank Cutsforth created over many decades. Thank you for your consideration.

Best Regards,

Levi Manselle
