

SB 28: The Save Primary Care with Basic Fairness Act

April 3rd, 2025

We are losing independent primary care practices

Share of Primary Care Physicians, by Ownership of Their Practice, 2010 to 2016

The percentage of primary care physicians working in a practice owned by a hospital or health care system rose during the 2010–2016 period. (Source: CBO based on Exhibit 4 in Fulton, 2017.)

How Reimbursement for Primary Care Services is Determined
