Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

1/7/25

I oppose SB 1187 Climate Super Fund as the cause of Climate Change is (most of the time) because of GEOENGINEERING and HAARP better know as Global Stratospheric Aerosol Geoengineering Programs.

- Tennessee passes 'chemtrail' bill banning airborne chemicals
- Hegseth Orders Elimination of Climate Defense Planning, but Still Wants Extreme Weather Preparation
