On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

My name is Marie. I live in West Linn, OR and I'm a member of Climate Reality Project Portland Chapter who cares about climate solutions, climate justice, the health of our environment, having a healthy world for my children and grandchildren. Please support SB 1187. We need funds to develop and put in place climate resilience, adaptation, and mitigation across Oregon, and fossil fuel companies who are mostly responsible for the problem should pay for it.
