Natural Resources

Measure, Appointment or Topic: HB5009

I am writing to urge the co-chairs of the Ways and Means Natural Resources Subcommittee to fully fund the Private Forest Accord. Particularly in the era of federal overreach, it is imperative that Oregonians are able to manage our resources in a collaborative and informed way, which is exactly what the PFA is. As an avid outdoors person, I know that these protections are vital for wildlife, and ODFW should be able to implement this agreement faithfully.

Thank you for your support.
