On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: SB1154

Dear Chair Golden, Vice-Chair Nash, and Members of the Committee,

My name is Jeanette Baity and I live in Lake Oswego (Clackamas County). I am writing in support of SB 1154 to update Oregon's Groundwater Quality Management Act.

I support SB 1154 because:

- Oregon must protect aquatic environments to ensure everyone access to safe drinking water.
- Some people only have access to well water and can't afford alternative sources if it gets contaminated.
- This bill provides the framework and accountability to ensure our water stays clean and safe to use.

Thank you in advance for your support of SB 1154.

Sincerely,  
Jeanette Baity  
Lake Oswego, Oregon
