

Submitter: Juanita Rinas

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1154

Dear Chair Golden, Vice-Chair Nash, and Members of the Committee,

My name is Juanita Rinas, and I live in Eugene, OR. I am writing in support of SB 1154 to update Oregon's Groundwater Quality Management Act.

I support SB 1154 because:

Oregon needs a program to catch potential problem areas before an aquifer becomes too polluted for drinking water use. SB 1154's coordinated, two-step approach provides that.

Water is life, for us all!!

Thank you in advance for your support of SB 1154.

Sincerely,
Juanita Rinas
