

Submitter: Kyle Meyer

On Behalf Of:

Committee: House Committee On Climate, Energy, and  
Environment

Measure, Appointment or Topic: HB3846

This is a terrible idea. State lands are managed for the benefit of public schools. While I might support improving Oregon public schools, I do not support extractive use of Federal lands for this purpose. As a hiker, backpacker, skier, hunter, and Oregon tax payer with a school-age child, please vote no.
