

Submitter: Owen Bacon

On Behalf Of:

Committee: House Committee On Climate, Energy, and
Environment

Measure, Appointment or Topic: HB3846

Please oppose HB 3846. Oregon Department of Forestry is not financially sound enough to take on this acreage.

Also this bill posses threats that could restrict public access to these lands for outdoor recreation, hunting and fishing. These activities are important to Oregon's economy.

Oppose HB 3846

Thank you,
Owen Bacon
