

Submitter: Scott Bruslind
On Behalf Of:
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3884
Chair Kropf, Vice-Chairs Chotzen and Wallen, and Members of the Committee;

I am Scott Bruslind a 28 year resident of the Lacombe area. I have lost two of my family members to firearm facilitated self harm.

I write in support of House Bill 3884; a common sense clarification to indemnify licensed firearm dealers when they act in good faith to provide safe harbor for a willing gun owner who decides to store their firearm in a secure location, outside of their home.

Firearm law is byzantine and the cause of much misunderstanding, distrust and dissension. HB 3882 is a step in the right direction: improving the relationship between a gun owner, a gun dealer and state law intending to reduce harm that this technology poses.

I urge the committee to adopt the Amendment and advance the bill with a recommendation to pass in this Session.

Respectfully,
Scott Bruslind
