On Behalf Of: Mr Oregon OPPOSES HB 3539
Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic: HB3539

I OPPOSE [HB 3539].

[HB 3539]'s Report is going to be extensive and very expensive.

[HB 3539] will require expanding DEQ's staff and corresponding overheads.

[HB 3539] has 'No' budget allocation and funding source(s) are not identified.

[HB 3539] relies upon a "Third Party" to conduct the mandated study. Will there be competitive bidding for the contract?

[HB 3539] is incoherent and incompetent therefore it should be swept into the nearest dust bin.

David S. Wall

Mr. Oregon Concurs and says, "Drill Baby Drill! [HB 3539] is not going to 'Save the Planet' or change the climate."
