

Submitter:	Mike Guches
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

As a rural property owner and taxpayer I strongly oppose this bill. I pay for the upkeep on my well and receive no tax breaks for doing so. The legislature is always looking for more control and restrictions on citizens. Not to mention looking for more revenue to feed the greedy state government that never can live within its means. You guys are supposed to be servants of the people . Instead all you seem interested in is seizing more taxpayer dollars and trying to impose more rules and restrictions.
