

Submitter: Brad Johnson
On Behalf Of: Property Owner
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB1154

The State does not own my property or anything below it, it is Private Property and you or your representative are not welcome to trespass, if you do I will prosecute to the full extent of the law. This is extortion at its finest. Stop the waste fraud and abuse and you will find that you have more money than is needed to fund our state. Stop paying for illegal aliens with my tax dollars and this alone will fund your pet projects. Also my kicker money refund is mine and the constitution of Oregon says so. Stop your greed we do not need to follow suit with the blue states above and below us. Stop this insanity, Sincerely, A Concerned Citizen.
