

Submitter: David allen

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1102

Well I see that the democratic party's is out right trying to kill me as with these rate hikes and as someone that is on a fixes income because of congestive heart failure I a oppose this bill sb1102 because I can't afford to give anymore money to this wreckless spending by the democratic party's and if this bill is passed then I think it's time to re call the entire oregon government for makeing it Harder for people like me to live in this state of wreckless spending thank you David allen
