Measure, Appointment or Topic:	SB1154

Please support SB1154. Water is life - as our brothers and sisters of Native peoples are telling us.

The ground water contamination in Central /Eastern Oregon has brought to the for that clean ground water is important.

Let's update Oregon's 1989 Groundwater Quality Management Act with a coordinated, comprehensive two-step approach. State agencies must work together to identify and eliminate pollution from all sources, and provide regular reports to the legislature, agency boards and commissions.

Vote 'YES' on SB 1154
