

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 2686
Committee: House Committee On Higher Education and Workforce Development
Measure, Appointment or Topic: HB2686

I OPPOSE [HB 2686]. The Higher Education Coordinating Commission (HECC) should be abolished with extreme prejudice.

From the TEXT of [HB 2686], "... SECTION 1. The Higher Education Coordinating Commission shall provide a grant to an organization that manages a statewide coordinated strategy to re-enroll residents of this state who have some college education, and no credential, into public higher education, apprenticeship and workforce training programs. The strategy must include data analytics, multichannel marketing, live professional coaching and a platform-based user experience."

***What, "...organization...?"

"... The strategy must include data analytics, multichannel marketing, live professional coaching and a platform-based user experience." ****Who made up this verbal manure?

"...SECTION 2. In addition to and not in lieu of any other appropriation, there is appropriated to the Higher Education Coordinating Commission, for the biennium beginning July 1, 2025, out of the General Fund, the amount of ____ for purposes of providing the grant required under section 1 of this 2025 Act..."

***An open-ended GENERAL FUND budget allocation is the political equivalent of a K.O.D. [Kiss-of-Death] for this piece of Legislative crap.

" SECTION 3. This 2025 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist, and this 2025 Act takes effect July 1, 2025.

*** "This 2025 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist..." ****"SECTION 3" is nothing but a, "Big Lie."

The Higher Education Coordinating Commission (HECC) should be abolished with extreme prejudice.

Check out the Higher Education Coordinating Commissions management decisions below.

David S. Wall

Mr. Oregon Concur and says, " If you tell a 'Big Lie' repeatedly, people will begin to believe the 'Big Lie' is true. Almost every piece of proposed Legislation uses the 'Big Lie' as seen above in [SECTION 3]."
