

Submitter: David Wall  
On Behalf Of: Mr Oregon OPPOSES HB 3029  
Committee: House Committee On Higher Education and Workforce Development  
Measure, Appointment or Topic: HB3029

I OPPOSE [HB 3029]. The Higher Education Coordinating Commission (HECC) should be abolished with extreme prejudice.

There is not enough money left in Oregon to Fund the nonsense referenced and incorporated into [HB 3029].

Below is a particular concoction of disgusting swill drawn from an open cesspool for the reader's perusal.

"[HB 3029 -2 (Page 25)], "...[ SECTION 8]: (7) Notwithstanding subsection (3) of this section, the commission may, in consultation with the State Workforce and Talent Development Board, issue grant award moneys directly to workforce service providers and community-based organizations where, in the opinion of the commission, awarding the moneys directly will allow the workforce service provider or community-based organization to effectively respond to a particular strategic workforce opportunity identified by the board."

The Higher Education Coordinating Commission (HECC) should be abolished with extreme prejudice.

Check out the Higher Education Coordinating Commissions management decisions below.
