

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 3552
Committee: House Committee On Higher Education and Workforce Development
Measure, Appointment or Topic: HB3552

I OPPOSE [HB 3552]. School Districts and Education Service Districts? Oregon has 'No' money.

From the TEXT of [HB 3552], "... out of the General Fund, the amount of \$156,400,000, which may be expended for the purpose of supporting regional career centers and distributing grants to education service districts as provided by section 2 (5) of this 2025 Act...."

"...SECTION 2: (5) Based on rules adopted by the State Board of Education and funding plans submitted by education service districts, the Department of Education shall award grants to education service districts for regional career centers from moneys available for regional career centers...."

The Higher Education Coordinating Commission (HECC) should be abolished with extreme prejudice.

***Add up the Debt Services.

***The [\$156,400,000] for [HB 3552] or pay some of the grotesque Debt Service set forth in [SB 5525]?

[HB 3552] is one of the dumbest pieces of Legislation this term-and from a Republican (or RINO).
