

Submitter: David Wall  
On Behalf Of: Mr Oregon OPPOSES HB 3669  
Committee: House Committee On Higher Education and Workforce Development  
Measure, Appointment or Topic: HB3669

I OPPOSE [HB 3669]. The Higher Education Coordinating Commission (HECC) should be abolished with extreme prejudice.

There is 'No' budget allocation and funding source(s) are not identified.

The Goals stated in [HB 3669] are illusory and do not merit public funding or the slightest concern.

[HB 3669] is inherently 'racist' and if Enrolled will add to the many 'Systemic Racism Statutes' already codified in Oregon Revised Statutes.

Federal Money will dry up as a potential revenue source. The use of the SNAP program will soon be history.

Free child-care and rental assistance will not be popular at all and is discriminatory per se.

The Higher Education Coordinating Commission (HECC) should be abolished with extreme prejudice.

\*\*\*Add up the Debt Services.

Why is not the entire Debt published in [SB 5525]?

Shouldn't we all know how much money is owed?

What are the interest rates on the Debts?
