

Submitter: Ron Skoletsky

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

My name is Ron. I live in West Linn, OR and care about climate solutions, climate justice, the health of our environment, having a healthy world for my children and future grandchildren. Please support SB 1187. We need funds to develop and put in place climate resilience, adaptation, and mitigation across Oregon, and fossil fuel companies who are mostly responsible for the problem should pay for it.
