I've lived here over 50 years. God provides my water. NO ONE should be able to tax it or control the usage of my well. Water is scarce where I live, I've had to have drill rigs here to even find enough water to use for household usage. The state absolutely should not be able to control it. This latest bill to bleed Oregon citizens of a few more dollars is incomprehensible. SHAME on you. I'm 81 and I've seen an awful lot of graft in county and state government. This bill is as radical as the despot throwing tantrums from the Nations capital, .and if you pass it, you are the sheep he and his cohorts know you are and you definitely are not 'For the People', but you're giving more power to a self-proclaimed 'king'.
