

Submitter:

Kevin Tallant-Hewes

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB698

I Oppose this measure it makes everyone at risk almost all heinous mass shootings happen in GUN FREE ZONES this is not the answer, its a death sentence for law abiding citizens. Bad people dont follow the law, a sign is not going to stop them from doing horrible acts. They will always find a way to get a gun, Do not make it harder for us law abiding citizens to defend our lives and property.
