

Submitter:

Kevin Tallant-Hewes

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB697

I Oppose this measure if you are old enough to vote you are old enough to aquire a firearm. This will not help keep anyone safe bad people will always find a way to do crime and if a kid wants to do something with a gun they will. A better soulution would be to ARM the teachers in schools to protect other innocent children from horrendous acts.
