

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES SB 40
Committee: Senate Committee On Health Care
Measure, Appointment or Topic: SB40

I OPPOSE [SB 40].

From the TEXT of [SB 40], "... SECTION 1. The Oregon Health Authority shall study public health. The authority shall submit a report in the manner provided by ORS 192.245, and may include recommendations for legislation, to the interim committees of the Legislative Assembly related to public health no later than September 15, 2026...."

The proposed 'study' will be expensive.

Consultants will most likely be retained.

There will be the need to hire more staff in, "The Oregon Health Authority" with corresponding overheads.

There is 'No' budget allocation and or funding source(s) identified to pay for [SB 40].

*** [SB 40] for the reasons stated above is incompetently constructed and therefore should be rejected and denied with prejudice.

Mr. Oregon Concurs.
