

Submitter: David Wall  
On Behalf Of: Mr Oregon OPPOSES HB 3884  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3884

I OPPOSE [HB 3884 and -1].

From the Text of [HB 3884], "...SECTION 1. The Department of State Police shall study whether firearm hold agreements reduce the risk of injury or death caused by firearms. The department shall submit a report in the manner provided by ORS 192.245, and may include recommendations for legislation, to the interim committees of the Legislative Assembly related to the judiciary no later than September 15, 2026...."

The proposed 'study' will be extensive and very expensive.

Consultants and a Law Firm will most likely be retained.

There will be the need to hire more staff for the proposed study in, "The Department of State Police" with corresponding overheads.

There is 'No' budget allocation and or funding source(s) identified to pay for [HB 3884 and -1].

\*\*\* [HB 3884 and -1] interferes with the Second Amendment to the Constitution of the U.S.A. and this is the K.O.D. (KISS OF DEATH) for this piece of Legislative crap.

\*\*\* [HB 3884 and -1] for the reasons stated above is incompetently constructed and therefore should be rejected and denied with extreme prejudice.

David S. Wall  
Mr. Oregon Concur.
