

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 2467
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB2467

I OPPOSE [HB 2467].

[HB 2467] is one 'scary' piece of Legislation that can easily be abused.

The role of, "... The community mental health program director or designee under the circumstances... ..Notify a peace officer to take the person into custody and direct the officer to remove the person to a hospital or nonhospital facility approved by the Oregon Health Authority..."

There are too many persons with the authority to commit a person against their will to confinement in the 'Looney-bin.'

[HB 2467]? No thank-you.

Mr. Oregon Concurs and says, "One 'forced confinement' mistake will ruin a person's reputation for life."
