

Submitter:

Ed Clark

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB697

This is against the constitution we allow young adults to drive at sixteen, vote at 18 and know they will not be able to purchase a firearm until 21. We should be teaching this young adults about gun safety and proper use of firearms. If oregon would fund mental illness programs and facilities there would be less suicides. Guns don't kill people mentally ill people kill people.
