

Submitter:

Nicholas Pizzolas

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB698

This bill significantly impacts citizens rights to protect themselves. Criminals don't follow rules or laws. It's common sense. By continuing to infringe on our rights..... you in turn are forcing more and more law abiding citizens to turn on the government. Instead of making more laws lets enforce the ones on the books. Criminals are constantly released with a slap on the wrist. I WILL NOT COMPLY. THE CONSTITUTION IS CLEAR.
