

Submitter: Philip Ritthaler

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB697

I oppose this measure as it infringes on our rights again. You can send 18 year olds to fight in wars with weapons. You allow those at 18 to vote. Why should they not have the right to purchase and own a firearm? Most people are honest and law abiding. Please stop grouping the small percentage of criminals with good people.

Thank you.

Sincerely,

Philip Ritthaler
