Greg Pittman

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB698

I oppose SB 698. If you have been approved by background checks to conceal carry in this state, which is a pretty good statement to your ability to follow laws and your character, then there is no reason to put the burden on law abiding citizens to comply and be disarmed in specific spaces when citizens who do not follow laws continue to terrorize others
