

Submitter:	Kenneth Sloan
On Behalf Of:	SB1154
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

No way should this be approved. Kotek wants an Austrailian company to drill into the aquifer in south central Oregon but thinks we need our wells closed or monitored. Both projects need to be dropped immediately. Lets hurt Oregonians because they may not have voted for her but let the foreigners in to ruin everything. Oppose 100%.
