

Submitter: Terry Miller

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB429

I oppose this bill because having to wait 72 hours to receive a gun will very likely end up causing a lot of people to be killed waiting for a gun. They need to protect themselves from some mentally ill evil individual that's off the rails. Many people that find themselves in need of a gun to protect themselves do not have 72 hours to wait. Let's put some common sense back into the things we do more laws will not help.
