I'm opposed to this. Making more gun free zones is not the way. You people don't seem to understand that criminals/ mentally disturbed people DO NOT CARE ABOUT RULES. Murder is already illegal. I'm a CHL carrying person. I follow the rules. I like knowing that my family's protection, and other citizens safety is in my hands. Please don't make me a criminal. I have done nothing wrong, and don't intend to.

So "if" you're reading this don't make target areas for mentally disturbed people.

Thanks for listening
