Committee:	Senate Committee On Judiciary
Measure, Appointment or Topic:	SB429

My name is Eric Hibbs. I am opposed to this bill! Making it harder and harder for law abiding citizens to get firearms does nothing to prohibit criminals from getting them. This also does nothing to prevent people from committing suicide. If an individual is determined to take their own life, they are definitely not going to concern themselves with acquiring a firearm legally, or they'll just wait the 72 hours and do it then, or they will do it by other means.
