Measure, Appointment or Topic: SB1154

I respectfully beg you to vote NO on SB 1154. Leave the private wells alone!!! It is none of the government's business. I am really appalled that the legislature thinks they have to have their hands into everything. Stay off private property and leave the private wells alone! We don't need to be taxed or pay more fees for anything!!! You guys just don't get it...Oregonians are being taxed and charged more fees (in lieu of calling it a tax...) all the time and it's beyond unfair. Please VOTE NO!

Thank you,  
Daniel Saurman
