

Submitter: Jeremiah Thorsted

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB429

I oppose this bill because my rights to bear arms SHALL NOT BE INFRINGED!!!!!!
That means not one second should be waited for me to aquire a Firearm. A 72 hour
wait period would be 72 hours of unconstitutional infringement. Authors of this bill
shall be removed from office and imprisoned for treason against the American
constitution.
