

Submitter: Jane Civiletti

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

My name is Jane Civiletti, residing in Clackamas Co. and a member of Climate Reality Project Portland Chapter. I care about the health of our environment and encourage you to support SB 1187 developing a Climate Superfund. Our state needs funds to develop and put in place climate resilience, adaptation, and mitigation across Oregon to support communities facing climate change calamities. Fossil fuel companies, who are mostly responsible for the problem, should help pay for these needs.
