On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: SB1154

To: Senate Committee on Natural Resources and Wildfire

I strongly OPPOSE SB1154 and ask that you vote NO on this bill that would severely infringe on property owner water/well resources. The cost of living in Oregon only continues to leap higher and higher due to continued failed policies and mission over-creep by the State of Oregon.

For these and many reasons, please vote NO on SB1154 and preserve water resources that we paid much of our life savings to purchase and maintain with zero compensation from the State.

Thank you.
