Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3372

My name is Lisa Wilson and I am a community member of Corvallis. I am writing today to support HB 3372. Currently in Oregon it is legal to water a ½ acre garden or use 5,000 gal/day for a commercial purpose, but neither of those apply to growing food and farm products for sale. Passing HB3372 would help feed your local constituents and keep more money in the local economy.

Small 1/2 acre farms growing produce has a broader positive impact on the community than watering a manicured grass lawn.

Allowing people to grow food or farm products for sale with a gallon restriction would give communities back the ability to feed and provide for themselves, pass HB 3372.

Thank you,

Lisa Wilson
