

Submitter: Catherine Lucido

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3372

I have a small farm that I have worked for 33 years. I am concerned about water issues and that if I use well water I will not be able to sell my products. This bill HB3372 would allow me and many other small farmers throughout the state to continue what we love doing and provide for our communities.

I support this bill and pray you pass it this session.

Sincerely,

Catherine Lucido
