

Submitter: Dean Blades

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1154

I am adamantly opposed to creating more government bureaucracy, to manage our ground water rights in Oregon, this just opens the door to having a non elected official be able to arbitrarily make rules and decisions that can effect the lives and livelihood of rural residents, farmers, and businesses. I see nothing good or useful coming from this bill.
