

Submitter:

Donjon Pelc

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB696

I oppose SB 696, rapid fire devices do not make a firearm automatic. Some use them for competition, some for fun. It is not a crime federally or state to posses wich SB 696 will make law abbing citizens criminals ones again in Oregon. What impact will it make? Will it Cost more money?
