Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB697

I'm totally apposed of this bill. Being a veteran, I was armed with the latest and greatest firearms for the defense of this nation. So and 18 to 20 year old can die for his country yet he cannot access a weapon to defend himself, his family and enjoy hunting and target shooting. You are only denying a 2nd ammendment right. The only thing you are doing is trying to disarm a LAW abiding populous.
