

Submitter:	Ben Houston
On Behalf Of:	Oregon Gun Owners
Committee:	Senate Committee On Judiciary
Measure, Appointment or Topic:	SB697

I oppose SB697. I simply don't understand. Its mandatory to sign up for the draft at 18. At which point technically you become a military conscript able to be called up for service. I don't understand how you can serve your country at 18 but can't own a firearm? You're asked to lay down your life but denied the means to protect it. This is why I oppose this bill.
